I reviewed the EPA Region – 10 web site for appendices to the API study; to obtain the appendices for the study the web site provides the name and phone number of a person that is now retired so it appears that Lon would be the contact to obtain these appendices.

Hi Craig,

My electronic version of the API survey (attached) does not have the appendices. Do you have the appendices (particularly appendix M-3) electronically? I am here in NY without my hardcopy.

I have already worked around not having the appendices, but if you can easily (only easily!) send M-3 or all appendices, that would be nice. They do not have to be searchable.

Thank you,

Nayak
